

En ce moment

on

peut

être malade

Quoi

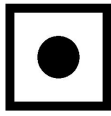

faire?

Se laver les mains

Tousser

dans son bras

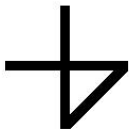

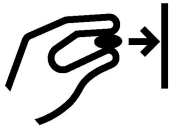

Se laver les mains

Se moucher

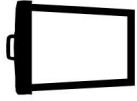

et

mettre

le mouchoir

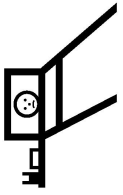

à la poubelle

Se laver les mains

Je

suis malade

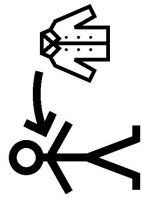

Je

reste à la maison

Je

porte un masque chirurgical

J'

ai

des questions

Je

peux

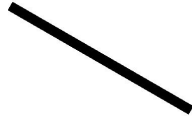

demander à un

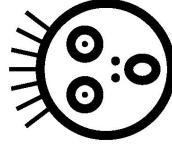

adulte

Je

n'ai pas

peur

Je

pense

à

me

laver les mains

Je

pense à

tousser

dans

mon

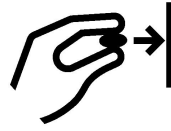

bras

Je

pense à

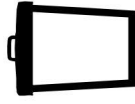

mettre

mon

mouchoir à la

poubelle

Je

me lave les mains
